S. P. HITCHCOCK ARRIVES.

THE STEAMER LIKELIKE LEAVING FOR WINDWARD PORTS.

Steamer James Makee Gets Kicked Out of Kaula—What's Going on Alongshore Today.

Droway stillness lulls the whiskey water-front to sleep today.

The ship J C Gladie went to anchorage out in the stream yesterday.

The steamer Kilauea Hou is acting as tender for the steamer Likelike.

The ship John McLeod will probably finish discharging her coal today.

The schooner Esther Buhne expects to get away for Eureka early next week.

The steamer Likelike leaves this evening for Kahului, Hana, Hamoa, Kipahulu, the Hamakua ports and Hilo. No passengers will be taken.

The steamers Keaouhu and Kaala were thoroughly fumigated this afternoon and took their positions in the roadstead waiting dispatch.

George Washington Smith and A M Hewett represent the Wilder and Inter Island steamship lines respectively on the Mail Quarantine wharf. Look out for marine wonders.

The bark Onyx and schooner Corona finished discharging at the railway wharf today. The Onyx will go to Fanning's Island next Tuesday and the Corona will go to the Sound.

The steamer James Makee returned from Kaula this morning bringing the mails and V Knudsen (who left on her) and two Chinese passengers and all the freight she left with. No freight or passengers will be allowed to land on the Garden Isle by its citizens until eighteen days quarantine is fulfilled. This is what they say and evidently what they say goes.

The American ship S P Hitchcock, E V Gates master, eighteen days from San Francisco, with 450 tons of ballast and one passenger (who is in transit to New York) docked at Oceanic wharf this morning. She reports an uneventful voyage. The Hitchcock will load sugar for New York for the Trust. There is 2200 tons in Oceanic warehouse here for her now, and as she is chartered for 2500 tons it is thought she will have quick dispatch.

(From U. S. Journal of Medicine.)
Prof. W. H. Peck, who makes a specialty of Epilepsy, has without doubt treated and cured more cases than any living Physician. His success is astonishing. We have heard of cases of 20 years' standing cured by him. He publishes valuable work on this disease which he sends with a large bottle of his absolute cure, free to any sufferer who may send their P. O. and Express address. We advise anyone wishing a cure to address, Prof. W. H. PECK, F. D., 4 Cedar St., New York.

MME YALE'S HAIR TONIC

LADIES AND GENTLEMEN: It affords me great pleasure to call the attention of the public to my Yale's Hair Tonic, which is the first and only remedy known to chemistry which positively turns gray hair back to its original color without dye. I personally indorse its action and give the public my solemn guarantee that it has been tested in every conceivable way, and has proved itself the only Hair Specific. It stops hair-falling immediately and creates a luxurious growth. Contains no injurious ingredient. It is not sticky or greasy; on the contrary, it makes the hair soft, youthful, fluffy, keeps it in curl and removes dandruff. For gentlemen and ladies with hair a little gray, streaked gray, entirely gray and with BALD HEADS, it is specially recommended.
